PROGRAM DESCRIPTION
The Dental Assisting program offers a challenging career in health care for those who enjoy working directly with people. Students develop skills including chair side procedures, radiology, practice management, patient education, infection control, and laboratory work. Dental Assisting is now online for the theory classes and in the dental lab for the practical hands-on classes.

• Work in a dentist’s office or clinic
• Choose a specialty for your career
• You will be familiar with all dental fields
• Earn $12.00 to $14.00 per hour to start
